BARBARA L'ITALIEN
Your generous support protected the pro-choice State Senate seat vacated by Barry Finegold! NARAL volunteers **dedicated over 92 hours** to elect Barbara L'Italien and **contacted more than 2,000 voters** in the district to propel her to a narrow victory over her anti-choice opponent.

REP. HAROLD NAUGHTON
You fought to protect Rep. Harold Naughton, who was instrumental in passing the Anti-Shackling bill last spring. Rep. Naughton had an incredibly tight race against an anti-choice challenger, and your dedication and generosity provided him with over **100 hours of volunteer support** in the two months leading into the general election. It paid off - **He won by a 1,632 vote margin because of you!**

STEVE ULTRINO
Steve Ultrino defeated his anti-choice primary opponent to fill an anti-choice seat by a wide margin. NARAL invested **over 150 hours of staff and volunteer time** to change this seat from anti-choice to pro-choice - and our volunteers and members stepped up like never before.

REP. DAN DONAHUE
Thanks to you, NARAL ally and pro-choice champion Rep. Dan Donahue successfully defended his seat against a formidable primary challenger. NARAL volunteers were responsible for 45 hours of support and it mattered - **Rep. Donahue won by only 206 votes.**

A STRONG FIELD PROGRAM
WINS ELECTIONS!

Winning local elections often comes down to a strong field program, and in 2014 NARAL members and volunteers spent an unprecedented amount of time knocking on doors and making calls for pro-choice champions. The victories in this cycle would not have been possible without you!
