

**WINNING A**

# PRO-CHOICE MAJORITY

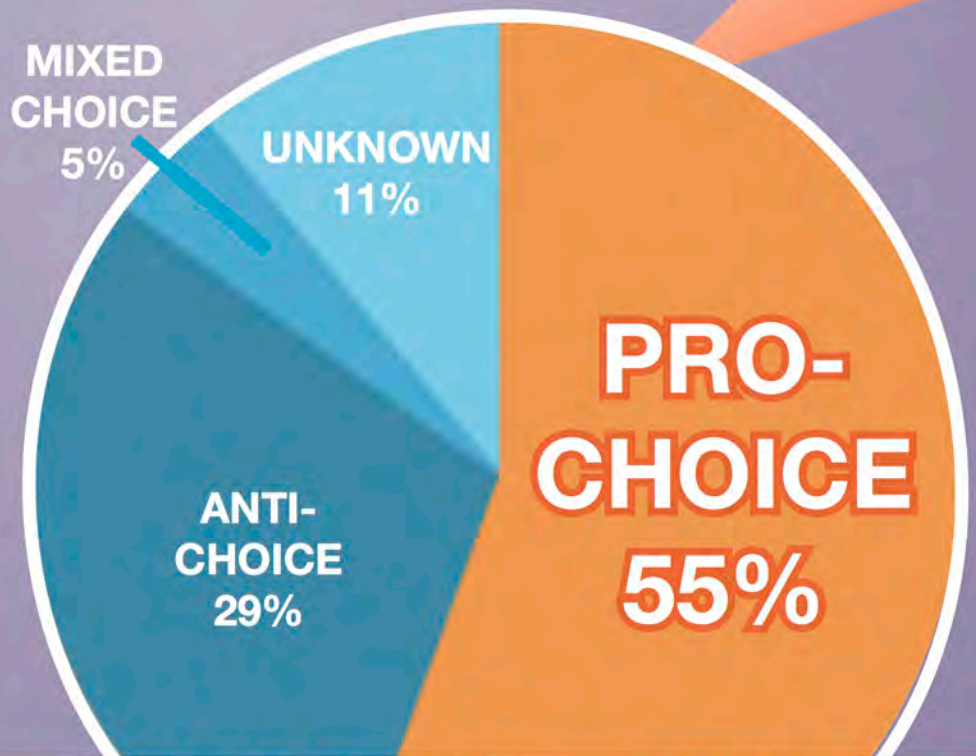

Despite NARAL endorsed candidate Martha Coakley's disappointing loss for governor, members like you made this year's election a pro-choice success: **89% of 83 NARAL endorsed candidates won their races!** Your generous support dedicated over 1300 volunteer hours to electing pro-choice candidates this cycle, and it made a difference on the ground.

**Every election our pro-choice majority in the Massachusetts state legislature is in jeopardy**, and every year NARAL members fight to protect and expand it. This year was no exception.

Almost half of our pro-choice champions were challenged this cycle, and members like you knocked doors, made calls, and got out the vote on Election Day – **so thank you!** You are the reason that we expanded our slim pro-choice majority in the House and maintained a strong majority in the Senate.

**“I WAS GRATEFUL FOR NARAL’S ENDORSEMENT— THE WORK THEY DID ON MY CAMPAIGN WAS CRITICAL TO MY RE-ELECTION. THEY PROVIDED THE SUPPORT AND RESOURCES I NEEDED TO WIN.”**

**-REP. HAROLD NAUGHTON**

**MASSACHUSETTS HOUSE OF REPRESENTATIVES**
